Re: Your Public Record Request

To Whom It May Concern:

This letter responds to your April 24 request to the Butte County Department of Development Services seeking various records related to the Camp Fire. After a search for responsive records, the department has located documents related to Part C of your request that will be saved to a shared drive given the large volume of documents and a link will be emailed to you to access the documents. The department does not, however, have any documents that respond to Parts A and B of your request.

Very truly yours,

BRUCE S. ALPERT
Butte County Counsel
